Jacob,

Good Afternoon. I hope this message finds you well. Unfortunately, the Councilmember is out of town for the Inspection but asked that I attend to represent him. Please confirm that is ok. Again, I'm happy to bring with me any Congratulation Certificates.

And, can you also confirm with me timing and parking details I will be there.

Best,

Joella Hopkins

That's fine if he wishes to do so. We can always make it work.

I will have an easier go if he is asked to say something for at least a minute or two....

But, the calendar request is officially in.

Hello and thank you!

We are not asking him to speak, just for him to attend if it's possible. We have a short amount of time for speakers and will only have a couple (Mayor, Chief, Captain and Guest speaker).

Talk soon, Jake

Joella,

It was good speaking with you today. I have attached the invite for Councilman Huizar to our formal inspection on May 7th. We are hopeful this fits into his (and your) calendar. [REDACTED]

Please let me know if you need any additional information.

Kind regards,

Jake
